OBJECTIVE

Work as a Mid-Level UI/UX Designer or related areas.

SUMMARY OF QUALIFICATIONS

Digital Designer from Anhembi Morumbi, currently a UI/UX Designer at the American agency OneNine. I have experience in design creation and WordPress development. I work well under pressure and tight deadlines, with expertise in a wide range of projects, from small stores to government projects, and I am accustomed to collaborating with global teams. Committed to pursuing a career in the Design industry.

EDUCATIONAL BACKGROUND

- **Postgraduate Degree, UI Design** | Jan/2025 - Aug/2026
Centro Universitário Belas Artes - São Paulo, SP, Brazil
- **Bachelor's Degree, Digital Design** | Jan/2021 - Dez/2024
Universidade Anhembi Morumbi - São Paulo, SP, Brazil

PROFESSIONAL EXPERIENCE

Sep/2024 to present **OneNine**
Position: UI/UX Designer

- Agile and fast-paced work in user experience and interface design (UI/UX), managing the design department.
- Creating responsive models for smartphones, tablets, web, and apps, with a focus on web design.

May/2020 to Aug/2024 **Freelancer**
Position: Graphic and UI/UX Designer

- Focused on website design with an emphasis on UI/UX, from user experience to interface design.
- Developed WordPress websites, creating interactive and functional solutions.
- Created visual identities, including complex and complete style guides for brands.

Jan/2019 to Apr/2020 **Lockton Companies**
Position: Graphic Designer

- Responsible for creating visual design for magazines, presentations, newsletters, commercials, and social media.
- Video editing and artwork for campaigns, aligned with the company's visual identity.
- Updated communication materials to reflect the company's new visual identity.
